

Prof.dr.med.sc. Mirsad Hodžić

Biografija

*Neurohirurg, Profesor hirurgije
Načelnik Klinike za neurohirurgiju
Univerzitetski klinički centar Tuzla*

Mirsad Hodžić završio je Medicinski fakultet Univerziteta u Tuzli (1991) i specijalizaciju iz neurohirurgije u Univerzitetskom kliničkom centru Tuzla (2000). Šestomjesečnu specijalizaciju iz neurohirurgije završio je na Klinici za neurohirurgiju Univerzitetu New York u Buffalu (SAD) (1996). Jednogodišnju specijalizaciju iz neurohirurgije završio je u okviru projekta German Academic Exchange Service (Deutscher Akademischer Austauschdienst – DAAD) na Klinici za neurohirurgiju Guenzburg Univerziteta u Ulmu (Njemačka) (1998/1999). Kao izvanredni mladi znanstvenik sudjelovao na 49. sjednici dobitnika Nobelove nagrade u Lindau (Njemačka) (1999). Jednomjesečnu edukaciju završio je u Roswell Park Comprehensive Cancer Center u Buffalu (SAD) (2001). Dobitnik je stipendije Američke asocijacije neurohirurga (AANS International Visiting Surgeons Fellowship) u okviru koje je završio tromjesečnu specijalizaciju iz dječije neurohirurgije u bolnici Kaleida Health's Women & Children's Hospital u Buffalu (2007). Jednomjesečnu edukaciju iz vaskularne neurohirurgije završio je u Gate Vascular Institute u Buffalu (SAD) (2013). Diplomirao je na Školi zdravstvenog menadžmenta Univerziteta u Sarajevu pod pokroviteljstvom Federalnog ministarstva zdravstva (SHCE-3) (2017). Dr. Hodžić je certificirani neurohirurg od strane Federalnog ministarstva zdravlja Bosne i Hercegovine. U svom neurohirurškom radu bavi se istraživanjem i liječenjem tumora mozga, cerebrovaskularnih bolesti, dječijom neurohirurgijom, hirurgijom perifernih nerava, razvojnim anomalijama centralnog nervnog sistema, degenerativnim bolestima i tumorima kralježnice. Član je Njemačkog udruženja neurohirurga (Deutsche Gesellschaft für Neurochirurgie), Udruženja neurohirurga jugoistočne Evrope (SEENS) i član Udruženja neurohirurga u Bosni i Hercegovini (UNUBiH). Dr. Hodžić je autor ili koautor preko 90 originalnih radova publikovanih u medicinskim časopisima, revijalnih radova i poglavlja u knjigama. Trenutno obavlja dužnost načelnika Klinike za neurohirurgiju Univerzitetskog kliničkog centra Tuzla, ima zvanje redovnog

profesora na Medicinskom fakultetu Univerziteta u Tuzli i stalni je sudski vještak medicinske struke podoblast neurohirurgija.
